All data as of March 31, 2025. 1. The portfolio's composition is subject to change without notice, is provided for informational purposes only, and should not be construed as a recommendation to buy or sell any security or as investment advice to participate in any strategy. Due to rounding, totals may not equal 100%. 2. The "Aaa" and "AAA" money market fund ratings are historical and reflect the superior quality of the Fund's investments, sound liquidity management, and strong operations and trading support. Periodic reviews are conducted to ensure a secure operations environment. The ratings do not eliminate the risks associated with investing in the Fund. 3. Represents total assets of the Fund.

4. Charged annualized fiscal year to date expense ratio and Annualized prospectus expense ratio as stated in the February 28, 2025 prospectus. 5. Orders are processed each day on which U.S. bond markets are open for trading. Website orders must be submitted 15 minutes earlier than the Fund's closing time. 6. The 7 day average yield is as of March 31, 2025. The 7 day non-subsidized yield is 4.09%. The current (7-day) yield more closely reflects the current earnings of the Fund than the total return quotation.
